Details

Made of 330D Oxford polyester, this heavyweight winter parka is windproof, waterproof (1000mm), thermo-insulated and has its critical seams taped. Its anti-pilling micro-fleece lined high standing collar and half back brings you the extra warmth and comfort you need in blistering wind and cold. Explore the outside and keep active, B&C Real+ /men jacket has ergonomic sleeves & articulated elbow that guarantee ease of movement.

Its easy access for decoration opening completes the style to make it a strong business partner. For the perfect DUO, pair it with the B&C Real+ /women.

PROTECTION

- Waterproof (1000 mm) parka with critical seams taped.
- Concealed hood for extra protection when needed.
- High collar with chin protector keeps your neck warm in blistering wind and cold.
- Anti-pilling microfleece-lined collar and half back add comfort and warmth.
- Optimal protection against wind and rain thanks to full front zip fastener with stormflap and adjustable cuffs.

STYLE & FIT

- Contemporary parka style.
- Ergonomic sleeves and articulated elbows for greater ease of movement.
- Tone-on-tone colour lining and accessories
- Choice of colours and wide range of sizes designed to support a range of uses.
