Details

Get the versatile protection you need this season with a customisable three-in-one jacket system that prepares you for unpredictable conditions. The B&C Corporate 3-in-1 is a functional all-season jacket combining a weatherproof hardshell (critical seam-sealed) with a zip-in 200-weight micro-fleece.

The shell jacket has a longer cut, to be worn on a suit, and a classic, sleek design. It features an attached, fully adjustable hood. This shell will protect you from the rain, snow and wind.

In winter, zip in the warm micro-fleece inner jacket. And in spring, simply unzip the two jackets and you can wear them individually.
